## Property Description

This two level, first floor flat has just come on to the rental market. It is situated in the heart of Shepshed, Leicestershire opposite Asda. Great for the local amenities and bus routes. It has a separate entrance and comes with its own artificial grassed courtyard which is a rare find when looking for a flat. Once inside the property and up to the first floor, you enter the kitchen which is situated at the heart of the flat, with the shower room and living room off set. The second stairs will lead you to two double bedrooms with views to the front and rear. The property is double glazed, central heating and the use of a washing machine and dishwasher.
